PROFESSIONAL PROFILE

Shopify Developer with 4+ years of experience building, customizing, and migrating e-commerce storefronts. Skilled in converting Figma/PSD designs into responsive Shopify themes, working across Shopify Plus, and maintaining clean, reliable code. Focused on delivering websites that create a genuinely positive experience for clients, teams, and end users alike.

PROFESSIONAL EXPERIENCE

Shopify Developer - ControlF5

Jan 2024 - Present

- Develop and maintain Shopify and Shopify Plus storefronts, upholding high standards of code quality.
- Convert Figma/PSD designs into responsive, pixel-accurate Shopify themes.
- Lead store migrations onto Shopify with minimal downtime.
- Report and estimate development status regularly, and write feature design specifications.
- Diagnose and fix bugs to keep storefronts running smoothly.

Shopify Developer - Mandasa Technologies, Mandsaur

Jan 2022 - Dec 2023

- Built and customized Shopify themes from Figma/PSD designs for client storefronts.
- Implemented responsive design templates for a consistent experience across devices.
- Handled ongoing bug fixing and theme maintenance for multiple client stores.

Freelance Shopify Developer - Self-employed

2021

- Delivered end-to-end Shopify store builds and theme customizations for independent clients.
- Translated client designs into functional, responsive storefronts.
- Managed timelines and post-launch fixes directly with clients.
